Together, we can be prepared

Providing you with safe, reliable energy is our top priority. That's why we prepare year-round for wildfires by managing vegetation around our equipment, creating response plans and working with public safety partners. You can prepare year-round too by having an emergency plan ready and keeping resources on hand like flashlights, batteries and portable chargers. Visit aps.com/wildfiresafety to learn more.

Bill Terminology

kWh (Kilowatt Hour)

Your energy usage is billed in units of kWh, or 1,000 watts of electricity used in one hour.

General Information

Late Fees

Payment is due no later than 21 days from the bill date. If received later than 28 days from the bill date, your account will be delinquent and may be subject to a late payment charge of 1.5%+ tax per month. If your power is shut off for nonpayment, you will need to pay the past due amount, and a reconnect fee if applicable, before service will be turned back on.

Deposit May Be Required

We may require a deposit if an account becomes delinquent with two or more bills, or has been disconnected for nonpayment within a 12-month period. Deposits may also be required for customers with certain conditions (as determined by APS using a credit scoring worksheet).

Energy Regulations And Rates Are Approved By:
